Elmcrest Diadem, 1961 International junior champion bull. Owned in partnership by Elmcrest Farm, Pawnee, Ill., and J. E. Klokken, Emden, Ill.

Dear Friends:

The 1962 Illinois state sale offering was carefully selected from the many top herds in Illinois to make this the best offering in our history. Each District director was asked to review specific herds for top selections, and letters were mailed as long ago as September to save the best cattle for this sale. The members of the Illinois Shorthorn Association believe this offering will meet with the approval of all sale day guests and prospective customers.

There is every indication that the efforts of a strong state organization, backed by strong district associations, is creating more enthusiasm for our breed in Illinois than ever before. The fall and early spring sales have been excellent, and in the last six months of 1961, over 200 new buyers of Shorthorns in Illinois had their names added to our mailing list. Over \$600,000 worth of Shorthorns were sold at public auction in Illinois in 1961, in 20 purebred sales and 10 club calf sales.

We would like to invite everyone interested in Shorthorns to attend our annual meeting on Monday, March 5, starting at 1:00 P.M., and stay for our banquet that evening, and the sale the following day. REMEMBER! Illinois has led the nation in recordings and transfers for many years, and has had the leading Shorthorn sale in the United States for several years, also. Our slogan is: "Illinois Leads the Way" and we would like to have you come to our sale, and let us help you "Lead The Way."

President,  
Illinois Shorthorn Association

BRITOMAC GREAT EVENT—A good herd bull prospect out of a great heifer from one of Marellbar's best cow families. His granddam, Calrossie Clipper Rita, was also the granddam of the top heifer in the Northwood sale at \$6,000.

Typical of the kind of bulls raised at Kickapoo Farms are these three that were first prize Group of Three Bulls at the 1960 International Livestock Show. Center is Kickapoo Forward Chief, reserve grand champion, a full brother to the dam of Kickapoo Freelancer, selling in this sale.

MELBOURNE RODERICK — This dark red bull stood sixth in the junior bull calf class at the 1961 International, and is a full brother to Melbourne Rodney, first prize junior bull calf at the 1960 International, recently sold to Joe Huckfeldt & Son, Gordon, Neb. Roderick's dam is an outstanding cow and a great producer. This is a big rugged calf that looks better every day.

**S S F Missie, grand champion female, 1961 International.**  
**Bred and owned by Wilbur Steiger & Sons, Delavan, Ill.**  
**Sire: Leveldale Pioner, an Illinois bred bull.**

The Illinois Shorthorn Breeders Association is the most active and aggressive state association in the nation . . . boosting the breed throughout the State all during the year. This annual show and sale is a feature event of their annual program. It contains the kind of cattle that have made Illinois the leading Shorthorn state.

**Group of young bulls at Kickapoo Farms.**  
**They are selling three bulls and one female in this sale. Kickapoo Voyager, Lot 20, is fourth from the left; Kickapoo Freelancer, Lot 22, is fifth from the left.**

# *top state sale in the nation in 1961*

This was the top state sale in the nation in 1961.

It was because special effort was made to get the kind of cattle that could make it the top sale.

The successful sale held here a year ago has made it much easier to obtain the very best for the 1962 offering. Never has the Illinois Shorthorn Association brought forward such an outstanding group of young herd sire prospects. There are 31 bulls in all. 23 of these were senior and junior calves in 1961. Most of them were shown successfully at the leading fairs. Now is the logical time for their breeders to sell these top prospects as they are right now reaching servicable age.

Whitehall Battleship, grand champion of the 1961 Mid-South Fair, shown with his owner, Mrs. Barbara Fenwick of Boll Weevil Plantation. He is by Bapton Craftsman, sire of Lots 24, 25 and 28.
